The

Myrialog

FOREWORD

We, the class of '59, wish to present to you this treasure, our Myrialog. In it may you share with us our dreams and fulfilments.

The first yearbook was edited at Myerstown in 1921. After two years of publication it was discontinued. The class of '49 once again resumed the task and named it "The Myrialog."

We wish to continue this tradition, of gathering all our mementoes of Myerstown High School, and present them to you, our readers.

FAIR

EVENT OF THE YEAR

ALMA MATER

Faithful and true-hearted, Let us cheer our dear old High,
We revere her and defend her, and her colors proudly fly:
We will stand for her united, Of her deeds we gladly tell,
Her colors streaming, Glad faces beaming,
So here's a cheer for her that we all love so well.

Chorus

Joyous and ever loyal, Let us boost for our old High,
Let ev'ry heart sing, Let ev'ry voice ring,
There's no time to grieve or sigh.
It's ever onward, our course pursuing, May defeat ne'er our ardor cool,
But, united, We will boost for her, our Old High School.

II

Honors she has taken, On the track and with the ball,
May she always rank the highest, May her colors never fall.
There's no other that can match her, When her team is on the field,
Her boys the fleetest, Her girls the sweetest,
Then here's a cheer for her, for her who ne'er will yield.

SCHOOL HISTORY

The Hill School, which is located on North College Street, was erected as a result of the consolidation of the early limestone schools. The community library and the Hill School served as our educational institutions until the erection of our present high school.

Architect, Edward Z. Scholl, and contractor, Andrew J. Fink, built our high school in 1915.

The members of the first board of directors were Dr. D. U. Wolff, George Uhrich, Ephriam Bleistein, John Schoener, and Harry Line. We have had the following principals: J. J. Strahl, Ralph Davenport, Chester Hartzler, Henry Hollinger, Walter Richter, John Auld, and presently Harvey L. Nitrauer.

Engravings on the cornerstones of our school are: "Education is the cornerstone of success," and "Wisdom is the birth of freedom."

DEDICATION

To Miss Kathryn Dech, we the Senior Class of '59 dedicate our annual yearbook, the Myrialog.

Miss Dech has given to many pupils of our student body a finer appreciation of music, chiefly in the vocal field. Beginning in Junior High School she made it possible for many of us to use our leisure time and vocal talent wisely. Rehearsals of all musical groups (not forgetting the operetta), in preparation for spring concerts, occupied most of her time—not mentioning the extra hours that followed. In addition to this, her German classes also kept her in contact with other students of the school.

For her helpful instruction, patience and humor we gratefully thank her.

OUR CUSTODIANS

We wish to reserve this place in our Myrialog for four people who play one of the most important parts in our school life.

They deserve credit for the fine job they have done in heating our school and keeping it neat and clean. Help in the future by being courteous to them at all times.

As the Class of '59, we wish to thank them for a splendid job well done.

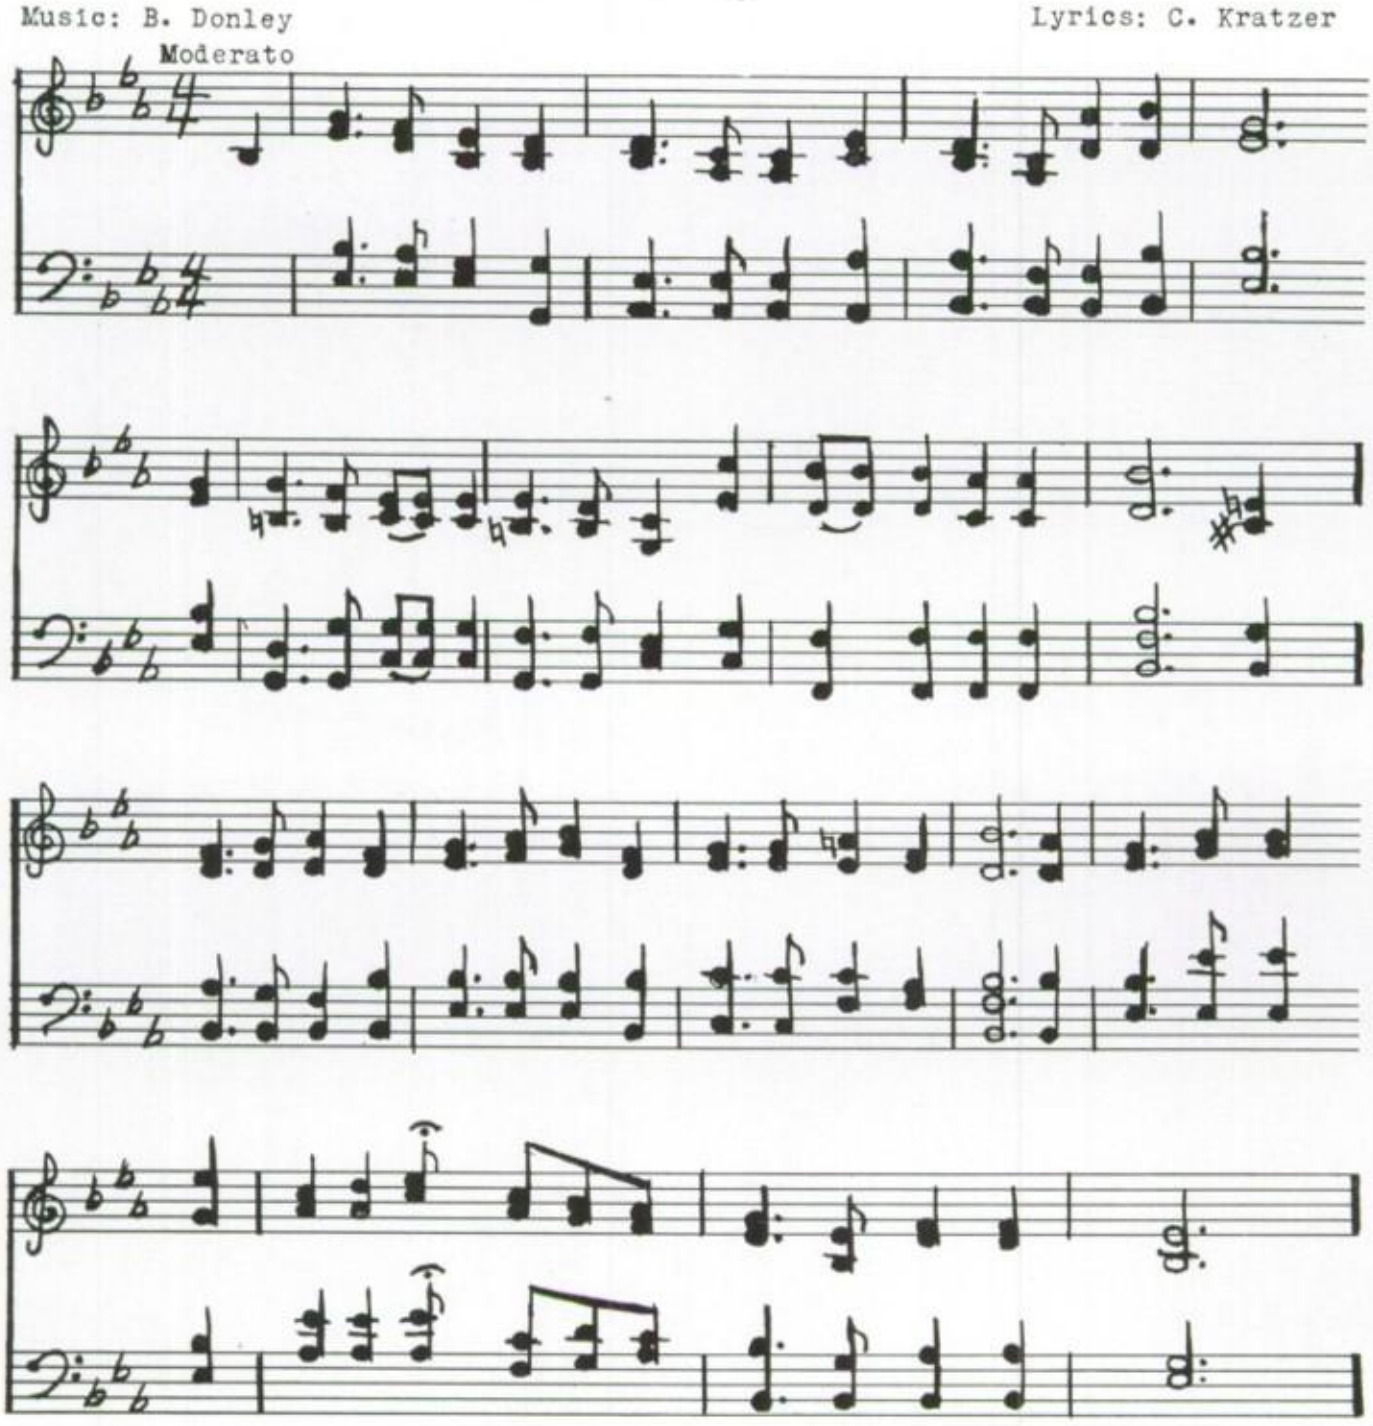
Class Song

Music: B. Donley

Lyrics: C. Kratzer



1. Our senior class of '59,
   Accomplished things quite fine.
   We stuck together in time of need,
   And loyalty was our creed.
   We studied hard but had some fun,
   And now our task is done.
   Each one will go his separate way,
   And make his knowledge really pay.

2. We owe our thanks to all of you,
   Our teachers, parents too.
   You helped us in so many ways,
   We hope to earn your praise.
   The twelve school years have quickly passed.
   But all the joys will last.
   The best we have we gladly give,
   So all our memories will live.

3. To say "Farewell" is hard to do,
   It makes us all feel blue.
   "Farewell" to you of '59
   May every class be just as fine.
   "Farewell" to dear old Myerstown High,
   We leave you with a sigh.
   We hope that you will never find,
   A better class than '59.

SENIOR MEMORIES

The year we all looked forward to has finally arrived: our Senior year. This was "our" year.

Our Senior year had just about begun when we started preparing for the Fair. This was our last Fair as students and we made the most of it! Promptly after the Fair we began rehearsing for the Senior Play which was presented November 20 and 21. We reached our goals in Landis and Landis and the magazine campaign. After several difficulties, we received our reward: A fabulous three-day trip to the magificent New York City from the eleventh to the thirteenth of May. On May 22nd we had Class Night and May 24 and 25 were Baccalaureate and Commencement respectively.

Our last year was filled with joys and disappointments, but it was a year we shall never forget. We leave M.H.S. hesitantly, because it served as a place of learning and companionship with all our friends. We will cherish our memories we leave behind, and wish all the happiness and success we have experienced to the future graduates of Myerstown High School.

HISTORY

In 1947 we left the comforts of home to start our journey through school. Our first stop was in first grade with Miss Loose and Mrs. Snavely. We were promptly divided into three groups for our reading classes: the Robins, the Wrens, and the Bluebirds. All of us enjoyed the privilege of ringing the bell at recess.

We made our next stop in second grade with the assistance of Mrs. Emerick and Mrs. Snavely. Here we were required to tell what we had for breakfast every morning. Fingernail and handerchief inspections were daily routine occurrences.

Miss Schell and Mrs. Snavely led us into third grade where we happily welcomed a new subject called division.

Fourth grade was a happy year for we were promoted to the second floor and had our own private stairway. Mrs. Weaver and Mrs. Snavely helped us to put on a Columbus play for our parents. Competition was hot and heavy on those Weekly Reader Tests.

Mrs. Groff helped us through fifth grade. We all made coal gardens as a class project. It was this year that we had a lover's quarrel between Rodney and Brian for the affections of Loretta Ziegler. We also worked in committees of four in our classes which in turn taught us to work together.

Finally we reached the middle of our journey when we entered Mr. Snavely's sixth grade. This was the year of flying chalk and erasers. They almost always found their mark. We had a library of our own and enjoyed choosing our own books to read. We also had a private fire escape and many of us became members of the Safety Patrol.

The next half of our journey landed us in the strange new world of seventh grade. Miss Fox and Mr. Hoffman explained the complicated routine of this place to us. We quickly became acquainted with Mr. Nitrauer and his faithful friend Betsy.

Mrs. Brightbill and Mrs. Shover really had their troubles with us in eighth grade and we spent many nights after school. This year the Corn Sisters, Billy and Jan, made their debut in our assembly.

We felt very important when we acquired the title of Freshmen. Mr. Batdorf and Mr. Bucher were our homeroom teachers. We were all completely baffled by our new subject, Algebra.

Tenth grade brings with it thoughts of class jackets. We were very proud of them and wore them as often as possible. Mr. Gates and Mr. Henderson tried to teach us that "Silence is Golden." Biology class was the favorite subject of all the girls, especially when we dissected frogs, worms, and grasshoppers.

Our class rings came with our Junior year and some of us passed them around many times. We were guided through this year by Miss Gudemann and Mr. Whitfield. Our class parties included an ice hockey game at Hershey and a night of bowling. Our major project was the Junior-Senior Prom, centering around the theme "Spanish Gardens." This year we also acquired double vision in the form of the Steiner twins.

The Senior year was one of studies and numberless activities. In October the Fair made us proficient cooks along the line of French Fries and instant coffee—not overlooking the capable cooks and waitresses of the cafeteria. A very short course in dishwashing and drying was demonstrated in the kitchen during the three days of the Fair. Our major profit making project was Landis and Landis. Other projects pursued were magazine sales and the Senior Class Play entitled "Great Caesar's Ghost." Two short trips by the P. O. D. classes to the County Court House and Harrisburg were also included in the busy schedule of this our last year. The Myrialog Staff was kept busy planning, designing and assembling material for our annual year book. The immediate reward, looked forward to by all, was the trip to New York. This was closely followed by Class Day, Baccalaureate and finally, Graduation which was always our chief goal.

Now that our journey is over, we shall all start in a new direction on life's highway of experience. We shall travel with the faith and the knowledge we have gained at Myerstown High School, and will always keep in mind, "It matters not how long we live, but how."

Donald J. Kugle, *witness*

CLASS PROPHECY

As we look into the future to see the jobs and professions which we will be fulfilling in 1979, we see that:

Lee Blouch, Perry Como's understudy, has just opened Blouch's Tint Hair Salon for discriminating women. Madam Troutman, who just returned from visiting her relatives abroad, was his first patron.

Daniel Lengle has opened Big Buddies Body Builder Buses Bureau for doubtful Dodges. Mechanic Houtz and Machinist Wise are doing remarkably well at changing tires.

Alice Schaeffer, growing money trees in Siberia, has developed a combination ruble-dollar tree with the assistance of Lucifer the Librarian Lengle who is having difficulty cataloging the money. However, with the able assistance of Thumpy Umbenhauer, it appears as if the accounts will balance.

David Lessig has been court-martialed from the Marines for failing to hit the waste-basket with his chewing gum. Roy Sanger, and Bon Voyage Troutman, stationed on the S. S. Hawaian-Alaskan, failed to salute Lieutenants Garloff and Loeb and are now in the process of walking the plank. They are going to visit Davy Jones' Locker to return their uniforms.

Entering the Women's Air Force are the new recruits Fay Himmelberger and Hot Rod Schaeffer. Quiet as a mouse Schoener scared them with a gigantic cymbal crash and Fill Her Up with a Scent of Gas Witter with a noiseless blowout.

Tycoon Phillippy has organized East-West Manufacturing Plant where he makes glass Boola Hoops. Chief Tester Hoffman was just fired because he couldn't make them go around anymore since he stopped chewing gum. Salesman Siverling insisted that the glass Hoops were broken when truck drivers, Spinner and Filler Up Steiner, delivered them to him.

Short Farmer Long has just found the ideal way to raise lemon-meringue trees. In fact he had so many trees that he had to hire two foresters, Timber Brubaker and Smokey Steltz, to consume the excess sap. However, when Choppy Hess saw the yellow forest, following the instinct of his name, he started chopping down the trees.

Alice Bollinger was teaching her fifth grade the way to ask questions correctly when a squeaky voice from the back of the room said, "2+2=5." David Hippostock is teaching Russian history in Spain. Senor Shenk, who tried to teach active verbs to his Spanish class, is now recovering in a rest home for tired teachers. Faye Sterner has just taken her class on a three minute jaunt to the moon. She wanted her class to see the size of basketballs there.

Director Donley's one man symphony is touring Myerstown. He is playing his latest composition, Concerto in F Sharp Flat, mostly flat.

Mademoiselle Ziegler and Femme Kohl, famous costume designers, are presenting their summer collection for the unconscious housewife. Madame Bordner and Frau Kratzer were the first to purchase these feed bag creations. Dressmakers, Sew-a-Stitch Houtz and Run-a-Seam Miller, were kept so busy that Secretary Biever had to help them in addition to taking care of lawsuits from chicken feed producers. Mr. Blair, C.P.A., Chicken Protector Associate, has a million dollar suit before the Superb Court against her, saying that she is degrading chickens.

Electrode Kopala, static-electricity engineer for making telephone operators and chemistry teachers all shookup, is working on his next victim, Chief Operator Neiswender. H_2So_4 Bicksler, chemical engineer for Morris' Inc., has found a super duper waving lotion called Morris Grumbine's Harem Lotion for beautician Romaine Morris.

Patrolman Gettle recently received a medal for capturing Speedy Burkhart, Medical secretary, while she was on her way to the Drop Dead Hospital on Living Street. Secretary Leininger was forced to take over and could not figure what filing system Speedy used. Finally she found that all papers were filed in the desk and Alca Seltzer was in Speedy's filing cabinet.

Russell Spitler has finally finished college and is now a professional photographer. His first secretary, Clown Althouse, resigned because she was going to be married. He finally hired Twenty Words a Second Fisher to fill the position. Because Spitler studied with Bob Cummings, he takes only well composed pictures, with models of course. Heading his list are Winking Brandt and Shaky Pat Miller.

Nancy Geist, secretary for Yesterday's Food Today Restaurants, received a complaint from Waitress Nevin. She insisted that Hungry Oberholtzer ate her check so she wouldn't have to pay it. Two other diners, Miss Firestine and Miss Boeshore, who are also secretaries, noticed that the check was still in the waitress' pocket.

The senior class of '59 presented a mysterious comedy, "Great Caesar's Ghost."

The action of the play took place in the living room of the Maxwell home, located in the suburbs of a large metropolitan city. Uncle Phineas decided to visit his relatives. Seeing him was great, but putting up with Great Caesar was something else. In the end, the ghost turned out to be a great economical asset.

NOW COME HERE, DEAR, AND SIT ON THE SOFA.

I'LL CLUB YOU TO A PULP, YOU YOUNG RASCALL!
JUST LET ME GET MY HANDS ON YOU!

"HERE, WHAT'S THIS—THE JOLLY JUVENILE SOCIETY?"

"GO AHEAD, GHOST, SHOW HIM YOU'RE HERE." "SIR! DON'T DO THAT, PLEASE!"

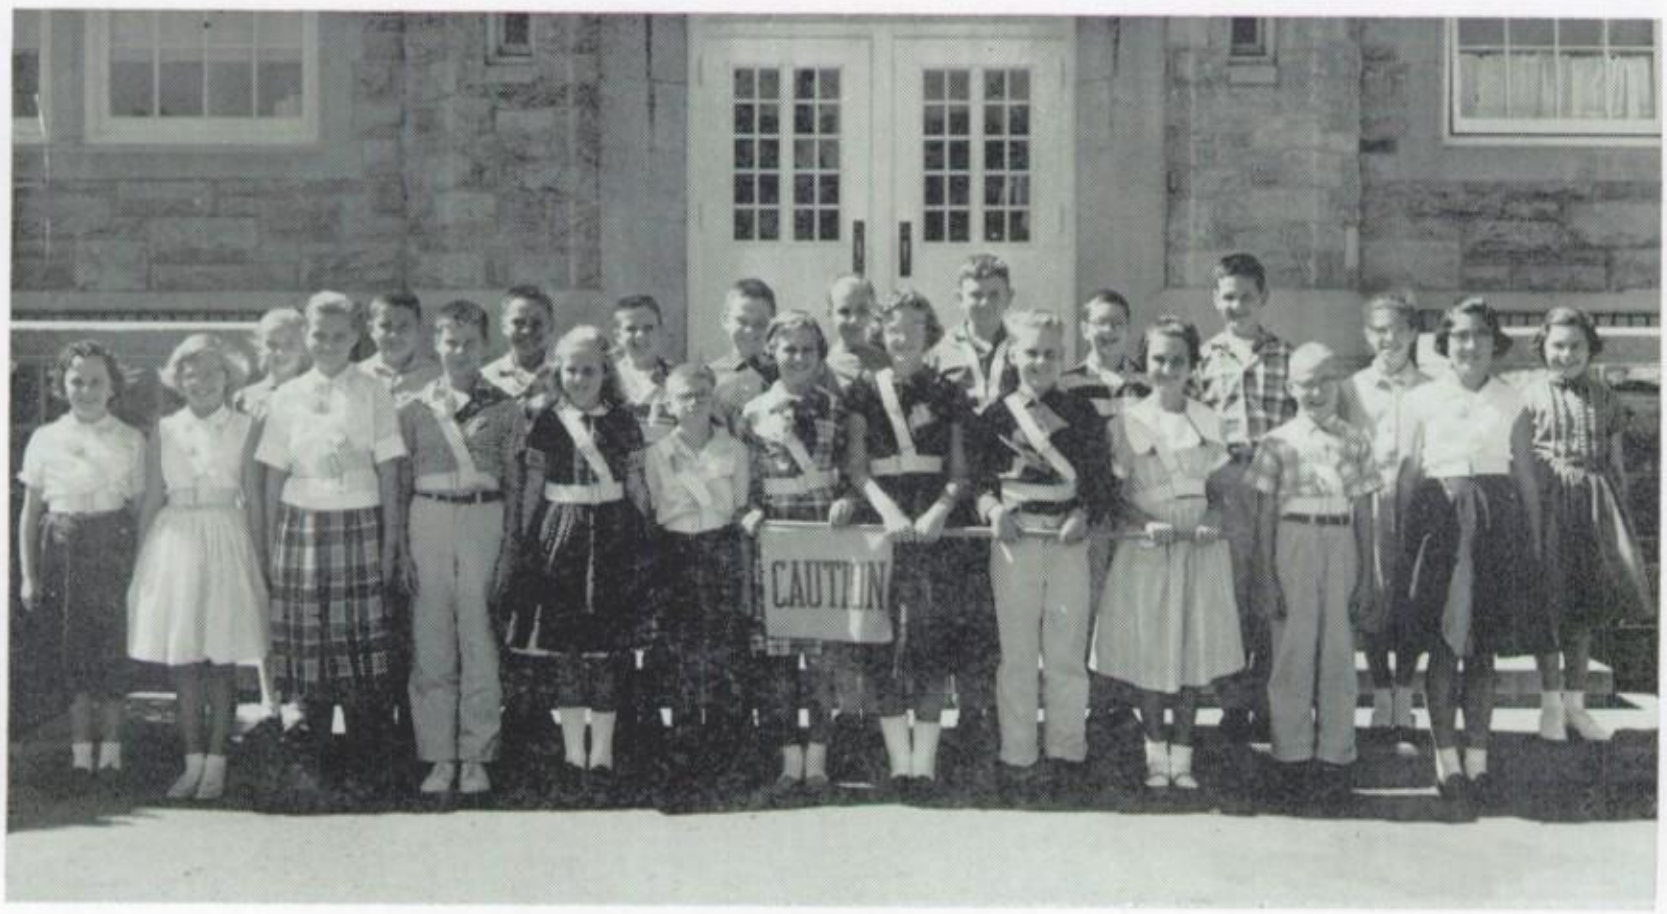
CHILD CARE SCHOOL

This is the third year we have had the scout room as a special classroom for mentally retarded children. They have two well-qualified teachers, Mrs. Kline and Mrs. Embich, who have devoted much of their time to these students. These children, who attend sessions from 9:00 a.m. to 2:00 p.m. each school day, have shown a lot of improvement since their first day at school.



SCHOOL SAFETY PATROLS

The Safety Patrol was organized in 1931 by Mr. Robert Mitchell. This patrol was organized shortly after Palmyra Lebanon County Auto Club began sponsoring school patrols. Mr. Snavely was the second advisor and held this position for four years. This year the Hill School Safety Patrol has Mr. Martin Chapman as its advisor.

Each year the Myerstown patrols march in the annual Safety Patrol Parade which is held in Palmyra. During the years 1936-41 representatives from Myerstown attended the National Safety Patrol Parade in Washington, D. C.

On the completion of a semester's service the members receive a certificate and badge. Letters are given to Junior High members for their outstanding services.

The patrol takes a traditional bus trip which is sponsored by the police department and the faculty advisors. These trips included Trexler Game Farm, Hershey Police Barracks, Lebanon County Jail, Miniature Village, Pennsylvania State Museum, and the State Capitol.

The Patrol proudly displays a record of no accidents or injuries to pupils on patrol-covered corners in twenty-eight years of service.

In the end of the season, however, the Mohawks put up a real fight and showed some excellent teamwork. They are under the supervision of Coach Earl Hess.

The Myerstown Junior High Basketball team was formed in the school year 1952-53 by Mr. Robert Hoffman. Our '56 graduates were the first boys to play on the team. Myerstown is one of the seven teams which participates in the seven school leagues formed within Lebanon County.

In the six years of the teams existence there was a total of 60 boys who played on the team. Those players learned a great deal which prepared them for the Junior Varsity and Varsity teams of future years.

The team has 1 win, 8 losses, and 5 ties.

The team this year suffered due to the loss of many players who graduated last year. Despite the fact that they only won one game this year, the team played hard and gave a good battle to their opponents. This is evident from their scores. Of their eight losses, four were lost by one goal. The team also played five games which ended in a dead-lock.

Basketball was first played in the county in the form of a Tri-Hi-Y league. When Miss Werner came in 1948, the county basketball league was organized.

In the 1950-51 season the county league was started. Since that time our girls have won four championships under the leadership of Mrs. Brightbill; one in 1952-53 season, the 1954-55 season, the 1955-56 season, and the 1956-57 season.

The team will lose six seniors which means next year's team will have to do a lot of building up. Our team was in third place this year.

In 1952-53 we had a championship team, but since then we were not able to reach the top. Despite this fact, our girls still have the spirit and energy to try for the championship next year. We all wish the Hockey Team "lots of luck" next season. Hockey was organized in 1950.

Our lovely cheerleaders have been chosen by a committee with Mr. Hoffman as the chairman. These girls started as cheerleaders for the Junior Varsity squads. Many long and tiring practices have made them the upholders of morale at all our games.

This year our Varsity Cheerleaders have new uniforms which are very attractive—short black skirts, white long-sleeved blouses, black Como sweaters, and gold bow ties.

The Junior Varsity Cheerleaders were organized in 1954-55.

The Senior Tri-Hi-Y is a Christian organization composed of senior high girls. Its membership at present is 85 students.

It was organized in the school year of 1942-43 under Miss Betty Anne Rutherford's leadership. The following year with the help of Miss Esther Zug, they organized and coached a Tri-Hi-Y basketball team. This remained in effect until the board hired a Physical Education teacher, who then organized a high school team.

In February of 1944, the big event of now and then was held, the first Valentine dance. In this year Miss Rutherford left Myerstown and Miss Zug assumed full duties as advisor.

When in 1950-51, Mrs. Helen Brightbill joined the faculty as Physical Education teacher, she assisted Miss Zug.

Miss Francene Swope became the leader when Miss Zug resigned in 1951-52. In 1053-54, Miss Welch took over leadership duties. In 1955-56, Mrs. Merrit Jeffers became leader and in 1956-57, Mrs. Lena Saunders joined as assistant advisor. They are at present our advisors.

Weekly meetings are held and are opened with a devotional period, followed by discussions and program as planned by the state-wide organization.

Some activities of the club during the year are the Christmas Pageant, caroling through the halls at Christmas, holding services at the Old Folks' Home, Christmas parties for the first grade, the Retarded class, and finally the Valentine Dance.

The Hi-Y was organized February 17, 1950, with Mr. Bucher acting as the advisor. This year the Hi-Y, along with the Senior Tri-Hi-Y, presented the Christmas and Easter assemblies. A new feature added this year was the formation of a basketball team which played South Lebanon and lost. As in former years the Hi-Y Club has supplied the student body with ice cream at basketball games and after school.

Mr. Whitfield, Mr. Lansberry, Andrew Honker and Brian Wagner visited New York as representatives of the Myerstown club. This was the annual trip sponsered by the County Y. M. C. A.

Each boy is required to do one project a year, dealing either in crops or with animals. They then display their project at the annual Pennsylvania State Farm Show in Harrisburg. The boys also repair old farm equipment or make new equipment in the shop.

In October they are given the assignment of arranging and setting up the equipment for the fair.

THE

FAIR

MYERSTOWN COMMUNITY FAIR

1934 Lebanon County, Pa. 1958

The Myerstown Community Fair started in 1934 and was discontinued during the war years, 1941-46.

The Annual Community Fair directors were as follows: President, Charles L. Moyer; Vice President, Robert F. Smith; Secretary, Earl J. Brubaker; Treasurer, Edgar Landis. These first directors gave our Fair an excellent beginning.

The purpose of this community venture, in a broad sense, is to promote the interests of Agriculture, Home Making, and Community Commerce; and to effect a spirit of good-will and cooperation between the various realms of community interest. In a more specific way, the Myerstown Community Fair seeks to perform many educational functions. It developes rural, town and school leadership by actual cooperation in the conduct of the Fair and educates by providing best products to be viewed by people of the community.

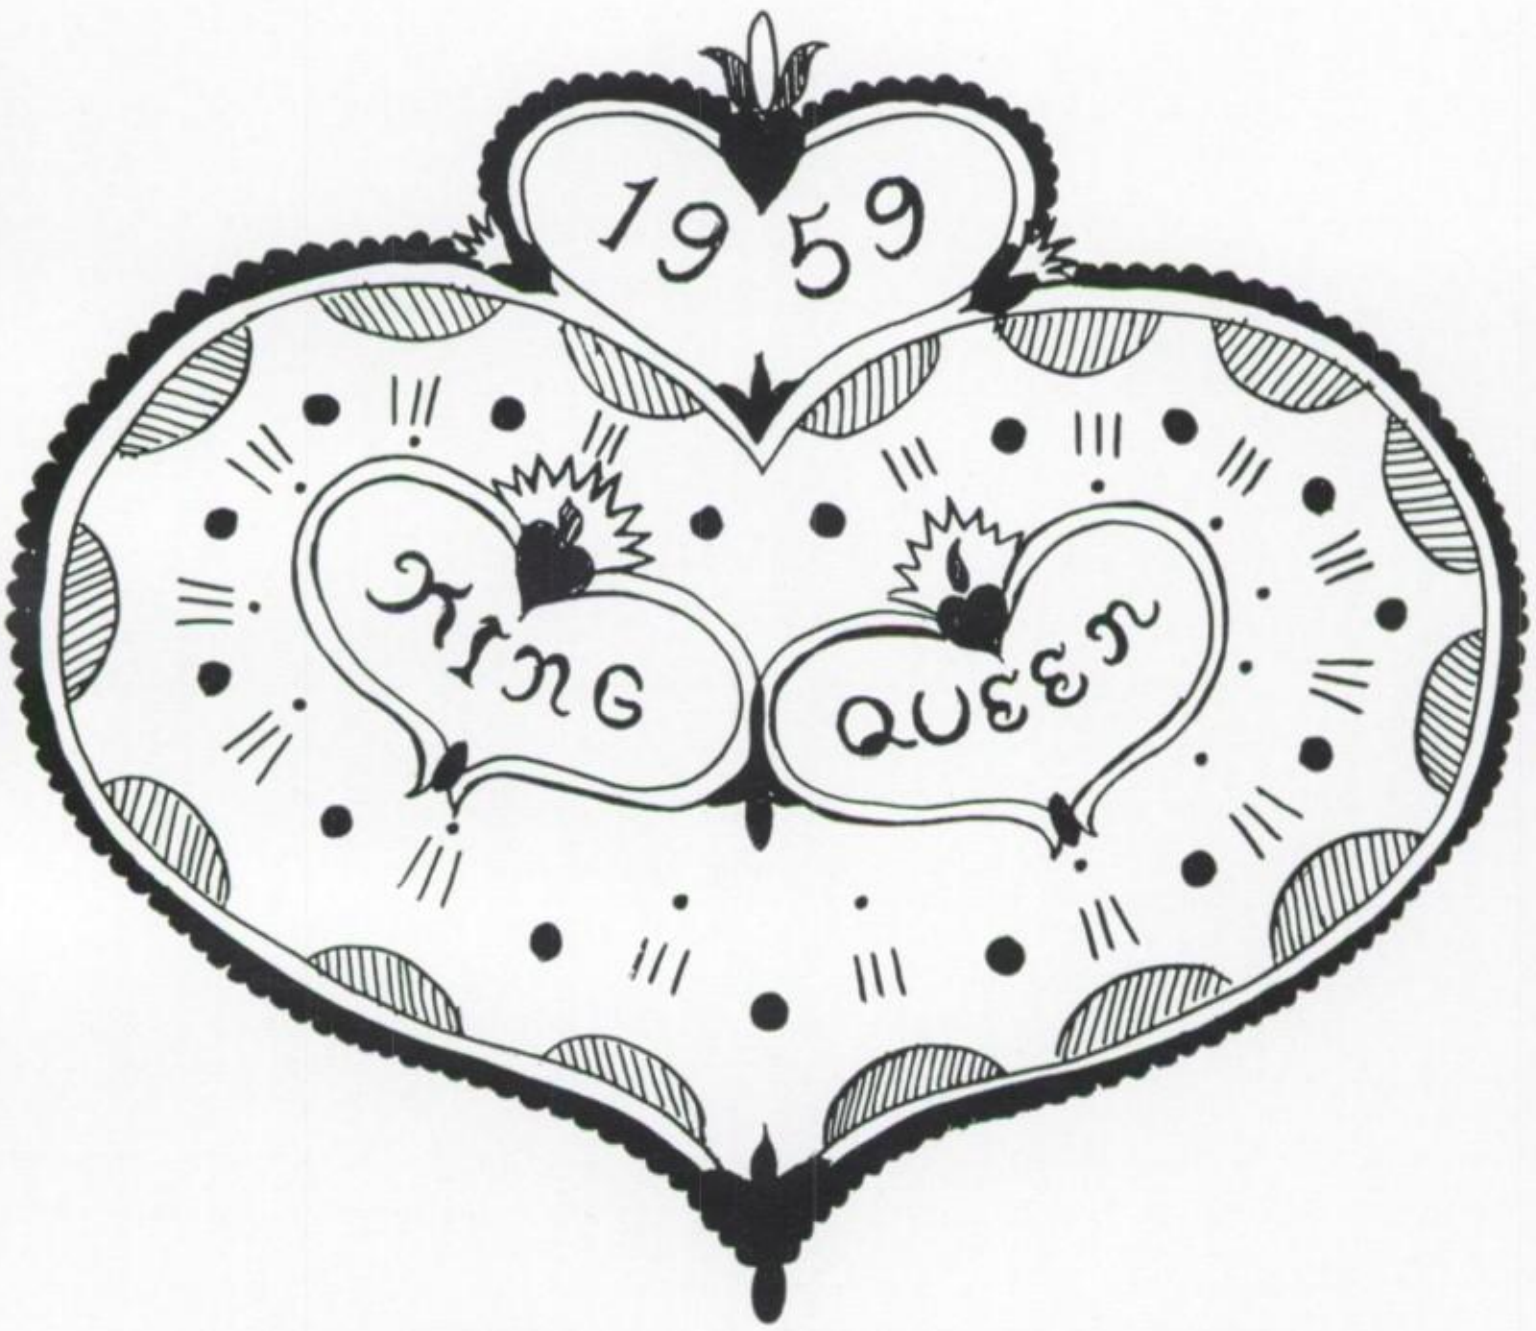
Each year the privilege of exhibiting products at the Fair is extended to all the patrons in Myerstown and anyone else in Lebanon County.

The officers of the Community Fair in 1958 were the following: President, Arthur Alspach; Vice President, Harvey Nitrauer; Treasurer, Larry Mentzer; Secretary, John Sherman.

The grades from seventh to twelfth each are given a specific item of food to sell at the Fair. In this way the grades earn money for their class treasuries. Regular meals are served in the cafeteria provided by the senior class.

In 1958 the Myerstown Community Fair was the only fair conducted in Lebanon County and enlisted the cooperation of the people of the entire county to aid in making this institution one of state wide recognition. It is a three-day affair, free to the public, featuring entertainment, athletics, educational exhibits and commercial exhibits, without objectionable features. In previous years there were over one-thousand exhibitors; that made over three-thousand entries in various departments of the products that they exhibited. The commercial exhibitors displayed their products under the large tents.

EVENT



OF THE YEAR

QUEEN OF HEARTS DANCE

Saturday, February 7, 1959, 8:00 p.m., the traditional Queen of Hearts Dance was held. The royal court, which was composed of senior students, was selected by the student body.

King, Brian Donley, crowned our lovely Faye Sterner to reign over this festive occasion as Queen of Hearts. Attending the royal couple were Maid of Honor, Carol Kratzer and Dennis Brubaker, Sally Bordner and Richard Bicksler, Loretta Ziegler and Rodney Steltz, Ruthann Fisher and Donald Steiner, and Doris Houtz and Ronald Steiner. The flower girls were Karla Sterner and Sallyann Donley; the trainbearers were Brent Brubaker and Jonathan Yoder.

Following the coronation, an officer of each class presented gifts to the King and Queen, while a Senior Tri-Hi-Y officer presented the flower girls and the trainbearers with gifts.

The following program of musical entertainment was then presented: Kathryn Stauffer and Andrew Honker sang "People Will Say We're In Love." A saxophone trio including Faye Ellen Krommes, Sandra Miller, and Brenda Dinger, played "I Love You Truly" and "Let Me Call You Sweetheart." The Mixed Ensemble sang "Anywhere I wander" and "Hello Young Lovers."

After the final fanfare presented by the trumpet trio, the Master of Ceremonies, David Shenk, announced the official dance of the King and Queen and their court. They danced to the tune of "Melody of Love," played by the Frank Taylor Orchestra.

The dance was under the sponsorship of the Senior Tri-Hi-Y and the supervision of Mrs. Ruth Jeffers and Mrs. Lena Saunders.

The first Queen of Hearts Dance was held in 1944 with Harold Albert and Beatrice Loeb as King and Queen.
